

About Kiesub, Electronics Wholesale Distributor

7 Things You Should Know About Kiesub Electronics

- Kiesub Electronics is a wholesale electronics distributor of electronic equipment, parts and accessories, with a walk-in store that is open to the public. We were established in 1973 and are still in the same industrial center, though we have grown and now occupy a lot more space.
- We are the largest independent wholesale electronics distributor in Nevada. We stock over 75,000 electronic parts, components and accessories. The items on the website represent only a fraction of what we carry.....call, chat or email if you don't see what you need.
- We are one of the largest distributors of batteries in the Southwest. Our huge inventory includes most kinds of batteries, including battery backup, data center batteries, alkaline, lithium and lead acid rechargeable batteries.
- We are a member of the Genie Group, which is comprised of more than 90 distributors and 300+ locations, with over \$1 Billion in sales. Membership gives us the purchasing power of a much larger company, as well as access to the inventory of distributor-partners all over the country. For you, this means many more products available to you at low prices.
- Our Contract Manufacturing division began in 1995, building custom cables and wire harnesses for industrial & commercial companies, as well as producing printed circuit boards. A pioneer in LED illumination manufacturing, we produce LED edge-lit panels, signs and decor for hotels, casinos, restaurants & bars, theaters and other venues in Las Vegas and all over the country. Designing and manufacturing our products here give us the control to produce higher quality products, and our personalized service gives you peace of mind.
- Our customers are in the gaming, entertainment and hospitality businesses. They are manufacturers, repair organizations, low-voltage contractors, utility companies, school districts and universities. They are also hobbyists, consumers, tourists and convention center visitors. We service local, regional and federal government agencies and military installations. All are welcome!
- We take particular pride in our professional staff. Many of our colleagues have over 25 years of experience in the electronics industry. The experience of these veterans is seasoned by the energy and enthusiasm and cutting edge knowledge of other staff members.

We invite you to stop by the next time you are in the area to see our 11,000 sq ft. electronics store and manufacturing facility, located 5 minutes from the Las Vegas Strip. **How to order:** You can order from us online, or by phone, fax or email. We accept purchase orders from pre-approved companies, and government purchase orders (please call or fax your orders in). We offer same day shipping on in-stock items ordered Monday through Friday before 12PM, PST. As a distributor with over 300 manufacturer accounts, we can also order factory drop-ships direct to you by UPS ground or overnight to suit your needs.

Your information is secure: You can be assured that Kiesub offers tightly-controlled secure online transactions. If you wish to receive our flyers and special offers by email, you may sign up below. Your personal information is NEVER shared or sold to anyone. **If you don't see what you're looking for on the website**, please email, chat or call Margie White, Marketing Manager at (702) 733-0024 x106. You may also fax your request to (702) 733-0026. Customer service is our first priority and we will get back to you promptly.
