

Klein Tools 56325 Fish and Glow Rod Set, 25-Foot

Klein Tools 56325 Fish and Glow Rod Set, 25-Foot

If you've ever used fiberglass fish rods, you know how painful and annoying fiberglass splinters can be. The protective coating on these fish rods guards your hands against splinters. These flexible yet rigid rods will pull wire across long distances. 1/4-Inch (6 mm) and 3/16-Inch (5 mm) diameter rods can connect together for added versatility. The set includes attachments and glow in dark rods to help make the job easier.

- Extra durable, lightweight and available in a variety of lengths and flexibilities
 - Five 1/4-Inch (6 mm) diameter fish rods and one 3/16-Inch (5 mm) diameter glow rod assemble to a full 25-feet (7.62 m)
 - Five rods with durable 5/16-Inch diameter stainless steel connectors and one rod with 1/4-Inch diameter stainless steel connectors
 - Bullet nose and hook attachments to attach and grab wires
 - Made in USA
 - Protective Splinter Guard coating keeps hands free of fiberglass splinters

Klein Tools 501-915 TDR Cable Length Meter

Klein Tools 501-915 TDR Cable Length Meter

The Klein Tools Cable Length Meter is a portable Time Domain Reflectometry (TDR) cable length tester. It measures cable length, calibrates Velocity of Propagation (VoP) values, finds distance to faults in cables, and provides built-in tone generation for cable tracing. This tester provides accurate cable length measurement for a wide variety of cable types at an affordable price. Includes test leads and a carrying case.

- Cable length meter measures length of electrical, data, two-wire and Romex cables up to 3000 feet (914 m)
- TDR technology measures Distance-to-Fault, Open or Short, on terminated or unterminated cable

- Programmed with Velocity of Propagation (VoP) values for Coax, Data, Romex and other multiwire cables for accurate length measurement within +/- (2-Percent plus 3-Foot/0.9 m) accuracy
- Stores custom cable VoP values for consistently accurate results and time savings
- Simple interface with full color, interactive LCD
- Tones unenergized, open-ended wires for wire tracing (requires Analog Probe (Cat. No. VDV500-123, sold separately)
- Coax-BNC or high quality alligator clips for quick, easy connection to test most cable types
- RJ45 jack for accurate length measurement of terminated data cables
- Measurements can be switched between and metric and imperial units
- Includes padded carrying case and leads

Klein Tools MM700 Digital Multimeter TRMS/Low Impedance, 1000V

Klein Tools MM700 Digital Multimeter TRMS/Low Impedance, 1000V

Klein Tools MM700 Multimeter is an automatically ranging true root mean squared (TRMS) digital multimeter that measures AC/DC voltage, AC/DC current, and resistance. It can also measure temperature, capacitance, frequency, duty-cycle, diodes and continuity. Klein Tools' Test and Measurement product line was exclusively designed from the ground up by electricians for electricians. Years of field research, combined with extensive input from electricians across America, inspired the development of meters and electrical testers loaded with innovative, time-saving features.

- Multimeter with automatic ranging true root mean square (TRMS) technology for increased accuracy
- Tester measures up to 1000V AC/DC voltage, 10A AC/DC current and 40M0hms resistance plus temperature, capacitance, frequency, duty-cycle, test diodes and continuity
- CAT IV 600V Safety Rating
- Built to withstand a 6.6-foot (2m) drop and withstand daily wear and tear on the job site
- Low Impedance (LoZ) mode for identifying and eliminating ghost or stray voltages
- For use in basic and controlled electromagnetic environments such as residential, business and light-industrial locations

- Low battery indicator and easily accessible battery and fuse replacement compartment
 - Includes carrying pouch, test leads, alligator clips, thermocouple with adapter and batteries
-

Klein Tools MM325 Digital Multimeter, Manual-Ranging, 600V

Klein Tools MM325 Digital Multimeter, Manual-Ranging, 600V

Klein Tools MM325 Multimeter is a manual-ranging multimeter that measures AC/DC voltage, DC current, and resistance. It can also test batteries, diodes, and continuity. Klein Tools' Test and Measurement product line was exclusively designed from the ground up by electricians for electricians. Years of field research, combined with extensive input from electricians across America, inspired the development of meters and electrical testers loaded with innovative, time-saving features.

- Multimeter measures up to 600V AC/DC voltage, 10A DC current, 2 MOhms resistance, continuity, batteries, and diodes
 - Lead Alert protection with LED's for test lead placement
 - Easy-to-view backlit display for low light environments
 - Low battery indicator and easily accessible battery and fuse compartment
 - Durable meter built to withstand a 6.6-Foot (2 m) drop
 - Includes test leads, batteries and user manual
 - CAT III 600V safety rating
 - For use in basic and controlled electromagnetic environments such as residential, business and light-industrial locations
-

Klein Tools J203-8 Pliers, Needle Nose Side-Cutters, 8-Inch

Klein Tools J203-8 Pliers, Needle Nose Side-Cutters, 8-Inch

Klein's Long-Nose Side-Cutting Pliers offer induction hardened knives to ensure long term durability and easy cutting. The slim head gets into confined spaces while the extended handles provide extra reach. The long nose is great for grabbing and looping wire.

- Needle nose plier with heavier design for greater cutting power
 - Extended handles provide added reach and leverage
 - Slim head design for working in confined areas
 - Induction hardened cutting knives for long life
 - Forged in the USA with custom, US-made tool steel
 - Hot-riveted joint ensures smooth action and no handle wobble
 - State-of-the-art, dual material Journeyman handles provide a better grip without sacrificing tool strength or durability
 - Hard, black material for toughness and durability
 - Soft material on outer surface for comfort and a firm grip
 - Color-coded handles allow quick identification of tool
-

Klein Tools ET20 WiFi Borescope

Klein Tools ET20 WiFi Borescope

The new Klein Tools' ET20 Borescope can be quickly connected to your smartphone via the built-in WiFi signal, turning the smartphone in your pocket into a smart tool. Install the compatible App on your phone to display, record, store and also share your images and videos via text or email. This Borescope enables you to capture high-quality photo and video directly to your device from up to 30 feet away. It features a waterproof 9 mm camera with durable, armored 6-Foot (1.8 m) flexible gooseneck cable, on-board LED lights, convenient pocket clip and rechargeable lithium-ion battery.

- WiFi Borescope transmits and displays video and images directly to your smartphone up to 30 Feet (9 m) away
- Waterproof 9 mm camera has 6 on-board, adjustable LED lights and outputs high-quality 640 x 480 images
- Tough, armored 6-Foot (1.8 m) long waterproof camera gooseneck maneuvers around obstacles while maintaining rigidity
- Battery status indicator tracks the charge level of the lithium-ion battery
- Increase and decrease camera LED output either on the Borescope or in the App

- The App not only acts as a display, but stores and shares images and videos via text or email
 - Includes convenient pocket clip, USB charging cable, hook attachment, carrying case, and instructions
 - The Klein Borescope App is available free at the App Store for iPhone users and Google Play for Android users

Klein Tools CL800 Digital Clamp Meter, AC Auto-Range TRMS, Low Impedance (LoZ), Auto Off

Klein Tools CL800 Digital Clamp Meter, AC Auto-Range TRMS, Low Impedance (LoZ), Auto Off

Klein Tools CL800 Electrical Tester is an automatically ranging true root mean squared (TRMS) digital clamp meter that measures AC/DC voltage, resistance, continuity, frequency, capacitance, and tests diodes via test-leads, and temperature via a thermocouple probe. It also features a Low Impedance (LoZ) mode for identifying and eliminating ghost or stray voltages. Klein Tools' Test and Measurement product line was exclusively designed from the ground up by electricians for electricians. Years of field research, combined with extensive input from electricians across America, inspired the development of meters and electrical testers loaded with innovative, time-saving features.

- Clamp Meter with automatically ranging true mean squared (TRMS) technology for increased accuracy
- Test leads measure AC/DC voltage, resistance, continuity, frequency and capacitance and tests diodes
- Thermocouple probe measures temperature
- Low Impedance (LoZ) mode for identifying and eliminating ghost or stray voltages
- CAT IV 600V, CAT III 1000V, Class 2, Double insulation safety rating
- Built to withstand a 6.6-Foot (2m) drop
- Low battery indicator and easily accessible battery compartment
- Operating temp: 32-degree F to 104-degree F (0-degree C to 40-degree C)
- Operating altitude to 6562-Foot (2000m)
- Includes carrying pouch, test leads, thermocouple with adapter and batteries

Klein Tools CL700 Digital Clamp Meter, AC Auto-Ranging TRMS, Low Impedance (LoZ) Mode

Klein Tools CL700 Digital Clamp Meter, AC Auto-Ranging TRMS, Low Impedance (LoZ) Mode

Klein Tools CL700 Electrical Tester is an automatically ranging true root mean squared (TRMS) digital clamp meter that measures AC current via the clamp, and measures AC/DC voltage, resistance, continuity, frequency, capacitance, and tests diodes via test-leads, and temperature via a thermocouple probe. It also features a Low Impedance (LoZ) mode for identifying and eliminating ghost or stray voltages. Klein Tools' Test and Measurement product line was exclusively designed from the ground up by electricians for electricians. Years of field research, combined with extensive input from electricians across America, inspired the development of meters loaded with innovative, time-saving features.

- Clamp Meter with automatically ranging true mean squared (TRMS) technology for increased accuracy
 - Electronic Tester's clamp measures AC current and its thermocouple probe measures temperature
 - Test leads measure AC/DC voltage, resistance, continuity, frequency and capacitance and tests diodes
 - Low Impedance (LoZ) mode for identifying and eliminating ghost or stray voltages
 - CAT IV 600V, CAT III 1000V, Class 2, Double insulation safety rating
 - Built to withstand a 6.6-Foot (2 m) drop
 - Low battery indicator and easily accessible battery compartment
 - Includes a carrying pouch, test leads, thermocouple with adapter and batteries
 - Meets requirements for use in basic and controlled electromagnetic environments like residential, office and light-industrial locations
 - Operating Temperature: 32-degrees F to 104-degrees F (0-degrees C to 40-degrees C)

Klein Tools 60407 Hard Hat, Vented, Full Brim with Headlamp, White

Klein Tools 60407 Hard Hat, Vented, Full Brim with Headlamp, White

Klein Tools Hard Hats were designed and engineered for optimal safety, comfort and fit. Unique features allow the user to comfortably work in a wide variety of applications and demanding environments. Patent-pending accessory mounts on front and back ensure Klein Headlamps attach securely – no straps needed!

- Safety hard hat has patent-pending accessory mounts on front and back that ensure Klein Headlamps attach securely and precisely, every time – no straps or zip ties needed!
- Breathable, padded sweat-wicking sweatband and top pad improve comfort and are machine washable
- Adjustable vents can be opened or closed for maximum air circulation while meeting stringent safety standards
- Unique suspension system features a flexible open frame design to provide optimal fit and improved air circulation
- Class C, Type 1 hard hat with adjustable vents meets ANSI Z89.1-2014, CSA Z94.1-15; EN397:2012+A1:2012-5.2.4 (Lateral Deformation-LD); EN12492:2012-4.2.1.2, 4.2.1.3, 4.2.1.4 (Front/Back/Side impact)
- Easy, one-handed adjustment with large knob ratchet mechanism (even with gloves on). Soft neck pad pivots to clear bandanna knots and pony tails
- Universal accessory slots on both sides for attaching hearing protection, face shield and more
- Includes removable Klein Headlamp/Magnetic Work Light (KHH56220) with 3xAAA batteries
- Klein Rechargeable Headlamp, Alkaline Headlamp, Sweatband, Top Pad, Chin Strap and Suspension System also sold separately

Klein Tools 60113RL Hard Hat, Vented, Cap Style with Rechargeable Headlamp, White

Klein Tools 60113RL Hard Hat, Vented, Cap Style with Rechargeable Headlamp, White

Klein Tools Hard Hats were designed and engineered for optimal safety, comfort and fit. Unique features allow the user to comfortably work in a wide variety of applications and demanding environments. Patent-pending accessory mounts on front and back ensure Klein Headlamps attach securely – no straps needed!

- Safety hard hat has patent-pending accessory mounts on front and back ensure optional Klein Headlamps attach securely and precisely, every time – no straps or zip ties needed!
- Breathable, padded sweat-wicking sweatband and top pad improve comfort and are machine washable
- Adjustable vents can be opened or closed to control air circulation in hot and cold weather
- Unique suspension system features a flexible open frame design to provide optimal fit and improved air circulation
- Class C, Type 1 hard hat with adjustable vents meets ANSI Z89.1-2014, CSA Z94.1-15; EN12492:2012-4.2.1.2, 4.2.1.3, 4.2.1.4 (Front/Back/Side impact)
- Easy, one-handed adjustment with large knob ratchet mechanism (even with gloves on), and soft neck pad pivots to clear bandanna knots and pony tails
- Universal accessory slots on both sides for attaching hearing protection, face shield and more
- This model includes Klein Rechargeable Headlamp/Work Light (Cat. No. 56062) with charging cable
- Accessories and replacement parts (sold separately): Rechargeable Headlamps (Cat. Nos. 56049, 56048, 56062), Alkaline Headlamp (Cat. No. KHH56220), Sweatband, Top Pad, Chin Strap, Suspension System (Cat. Nos. KHHSWTBND, KHHTOPPAD, KHHSTP, KHHSPN)

Klein Tools 5715 PowerLine Mobile Phone Holder, Black Nylon, Large

Klein Tools 5715 PowerLine Mobile Phone Holder, Black Nylon, Large

Keep your cell phone within easy reach on the jobsite with Klein Tools' PowerLine Mobile Phone Holder. This large holder fits most mobile phones. It also has a metal belt clip that easily attaches to belts up to 2-Inch wide.

- Fits most large mobile phones
- Padded for extra protection
- Made of Cordura fabric for exceptional resistance to abrasion, punctures and tearing
- Metal belt clip fits belts up to 2-Inches (51 mm) wide
- Closable flap features VELCRO brand touch fasteners
- Closed bottom for convenient storage
- VELCRO is a registered trademark of Velcro Industries B.V
- Cordura is a registered trademark of INVISTA for durable fabrics
- Assembled in USA of U.S. and imported components

Klein Tools 56048 Rechargeable Headlamp with Fabric Strap, 400 Lumens, All-Day Runtime

Klein Tools 56048 Rechargeable Headlamp with Fabric Strap, 400 Lumens, All-Day Runtime

Klein Tools' rechargeable headlamp provides three modes to fit your task: a bright, 22-hour floodlight; a brighter 12-hour focused spotlight, and a super-bright 400 lumen boost mode. You'll know when it's time to recharge the lamp, because the LED lights on the battery gauge clearly indicate how much battery you have left. The adjustable fabric strap is comfortable and has just enough silicone weave to keep it in place. Whether you wear with the strap or attach it directly to a Klein Hard Hat, this light-sensing auto-off headlamp is the best choice for your everyday light.

- Rechargeable 400 lumen Auto-Off LED Headlamp has 3 modes: All-on/Boost at 400 lumens for 4 hours, Spotlight at 200 lumens for 12 hours, and 22 hour runtime Floodlight at 100 lumens
 - Headlamp automatically turns off after 3 minutes in bright light via auto-sensing technology, extending battery life (feature can be disabled by holding the power button for 10 seconds)
 - Battery gauge indicates level of battery life with colored LED lights
 - Smartly designed headlamp bracket also attaches directly to Klein Hard Hats (those equipped with bracket system)
 - Slim profile with pivoting mount to allow up to a 64-Degree lighting angle
 - Adjustable woven fabric strap with silicone grip secures to headlamp onto head, hard hat, or cap
 - Light can be easily removed from bracket for recharging
 - Rechargeable via micro-USB port (cable included)
 - Durable headlamp: drop-test rating of 6-Foot, dust and water resistant
-

Klein Tools 55655 Tradesman Pro Tool Station Tool Bag Backpack with Work Light

Klein Tools 55655 Tradesman Pro Tool Station Tool Bag Backpack with Work Light

The Klein Tools' Tradesman Pro Tool Station Backpack with Work Light has 21 pockets and a large interior for maximum tool storage. Illuminate your backpack interior with the removable hands-free Work Light attached with an elastic loop. The front flap of the backpack unzips halfway for quick tool access or fully extends for workstation access. Made of water resistant 1680d ballistic weave material for durability.

- Backpack with 21 pockets and large interior for maximum tool storage
- Includes removable Flashlight with Work Light; A bright magnetic flashlight and broadcasting work light in one tool
- Elastic loop holds Work Light for hands-free illumination of backpack interior when working in low light areas
- Front of backpack unzips halfway for quick tool access or fully extends for workstation access
- Made of water resistant 1680d ballistic weave material for durability
- Orange interior for easy tool visibility
- Extra padding on the shoulder straps and back for carrying comfort

- Adjustable chest and lower straps for a customized fit
 - Front zipper pocket for small items
 - Exterior organization includes side elastic pouch for water bottle, tape measure clip, and tape thong
-

Klein Tools 55482 Tradesman Pro Tool Station Tool Bag Backpack, 21 Pockets

Klein Tools 55482 Tradesman Pro Tool Station Tool Bag Backpack, 21 Pockets

The Klein Tools' Tradesman Pro Tool Station Backpack has 21 pockets and a large interior for maximum tool storage. The front flap of the backpack unzips halfway for quick tool access or fully extends for workstation access. Made of water resistant 1680d ballistic weave material for durability. Illuminate your backpack interior with the removable hands-free Worklight (Cat. No. 56028) sold separately.

- Backpack with 21 pockets and large interior for maximum tool storage
 - Front of backpack unzips halfway for quick tool access or fully extends for workstation access
 - Made of water resistant 1680d ballistic weave material for durability
 - Elastic loop holds Work Light (Cat. No. 56028 sold separately) for hands-free illumination of backpack interior when working in low light areas
 - Orange interior for easy tool visibility
 - Extra padding on the shoulder straps and back for carrying comfort
 - Adjustable chest and lower straps for a customized fit
 - Front zipper pocket for small items
 - Exterior organization includes side elastic pouch for water bottle, tape measure clip, and tape thong
-

Klein Tools 50550 Glow in the Dark Fish Tape, 20-Foot

Klein Tools 50550 Glow in the Dark Fish Tape, 20-Foot

Klein Tools' first fully glow-in-the-dark fish tape. The unique clear case permits ambient light to easily charge the glow tape and tip, providing a bright glow for use in low light. The fiberglass tape is fully removable from case for one-way wall cavity, drop ceiling, and conduit pass through feeding. The anchor end features a stainless-steel fish rod connector so any of our fish rod accessories can be attached to the end of the fish tape, allowing this fish tape to also function as a super-flex glow rod. An optimal fish tape for installing wire or cable behind walls and ceilings, in short box-to-box runs and branch circuits, or in flexible tubing. This fish tape's compact size makes it a great addition to your everyday tool bag.

- 20-Foot Fish Tape features unique glow-in-the-dark fiberglass tape and nylon tip
- Clear housing allows the glow material to charge in the case
- Fully removable from case for more versatile application such as pass-through wire feeding
- Anchoring end utilizes stainless steel connector that is compatible with Klein Fish Rod attachments (Cat. No. 56511)
- Made in the USA; Patent Pending
- Alignment mark on case makes for easy re-installation into housing
- Narrow, eyelet tip for easy feeding through crowded spaces
- Durable case and handle offer superior impact resistance

Klein Tools 44220 Pocket Knife, Black, Drop Point Blade

Klein Tools 44220 Pocket Knife, Black, Drop Point Blade

The Black Drop Point Blade Pocket Knife has a stainless steel blade for strength and black aluminum handle that is designed to resist corrosion. Klein Tools offers a wide range of knives and other cutting tools for professional applications across all trades. Klein Tools' pocket knives are trade-tested, valuable for splitting cable and stripping wire on a jobsite as well as performing everyday tasks off the site. The entire line of pocket knives are durable, with long-lasting sharp blades, and are made to stand up to whatever the job throws at them.

- Black, fine-edge drop point blade is made of 440A stainless steel for superior edge retention and ease of sharpening
- Rugged black aluminum handle provides corrosion resistance
- Lanyard hole allows knife to be tethered safely to prevent loss, or injury from dropped knife
- Dual thumb studs for ambidextrous, one-handed opening
- Liner lock secures blade in open position
- Deep pocket/low-carry pocket clip allows the knife to fit completely and

securely in a pocket

- Blade is 3-1/2-Inch long
- Rubber finger grip for comfort and long-wear

Klein Tools 32717 All-in-1 Precision Screwdriver Set with Case

Klein Tools 32717 All-in-1 Precision Screwdriver Set with Case

Klein Tools' All-in-1 Precision Screwdriver Set with compact carrying case features 39 precision bits. This set provides everything you need to work with electronics and precision fasteners including those for Apple products such as Apple iPhone, MacBook, and Watch. The reversible barrel is standard on one side and extra-long on the other for those hard-to-reach jobs. Powerful magnets

housed in the barrel better secure the bit, which also allows it to easily pick-up and retain fasteners. The Cushion-Grip handle and spin cap provide outstanding comfort and control.

- Precision screwdriver set includes 39 bits for various applications including repair of most Apple products
- Powerful magnets inside barrel to better retain bits, as well as pick-up and hold fasteners
- Reversible barrel has standard and extended-reach ends
- Compact carrying case features a stay-shut latch and extra-long bits for easier access
- Spin cap offers optimum and precise control
- Industrial-strength heat treated bits
- Cushion-Grip handles for maximum comfort
- Apple is a registered trademarks of Apple Inc; TORX is a registered trademark of Acument Intellectual Properties, LLC; Tri-Wing is a registered trademark of Phillips Screw Company

Klein Tools 32314 14-in-1 Precision Screwdriver/ Nut Driver

Klein Tools 32314 14-in-1 Precision Screwdriver/ Nut Driver

Klein Tools' 14-in-1 Precision Screwdriver / Nut Driver features 14 of the most common precision sizes in one tool. The Cushion-Grip handle and spin cap provide outstanding comfort and control. This smartly designed tool contains 6 sizes of integrated steel nut driver shafts that securely hold four double-ended screwdriver bits. Carefully heat-treated for industrial strength, the precision-milled bits include multiple sizes of slotted, Phillips and Tamperproof TORX bits.

- Precision screwdriver and integrated nut drivers include 14 of the most common sizes in one tool
- Spin cap offers optimum and precise control
- Industrial-strength heat treated bits
- Cushion-Grip handle for maximum comfort
- Includes sizes: Phillips #00, #0; Slotted 3/32-Inch, 1/8-Inch; Tamperproof Torx T7, T8, T10, T15; Hex 9/64-Inch, 5/32-Inch, 3/16-Inch, 7/32-Inch, 1/4-Inch, 5/16-Inch
- Interchangeable steel shaft for fast, easy bit changes

- Sizes are etched into integrated barrels and bits
- TORX is a registered trademark of Acument Intellectual Properties, LLC
