

Neutrik NLT4MPXX 4 Pole Male Chassis Connector, Metal Housing

Neutrik NLT4MPXX 4 Pole Male Chassis Connector, Metal Housing

Receptacle speakON STX – 4 pole male – solder tabs – V-0 insert – nickel/silver
The speakON STXX Series was especially designed for heavy duty amplifier-loudspeaker applications like professional touring. The extremely rugged and durable STXX Series features an all metal housing.
1/4 Flat Tabs, Countersunk Thru Holes

This connector is fully compliant to the device standard IEC 62368-1, due to its component certification according to IEC 61984.

Platinum 90188 ezEX-RJ45 Starter Kit

Platinum 90188 ezEX-RJ45 Starter Kit

We're making it easy to step up to the most advanced RJ45 connector we've ever made. The nEXt Revolution in RJ45 Connector Design.

The ezEX Starter Kit gives you everything you need to start using Platinum's most advanced connector – the ezEX RJ45®. The kit includes the EX0™ Crimp Frame with EX Die for perfect crimps and clean trims every time, as well as a complete assortment of ezEX connectors and strain reliefs, all at a very special price. The ezEX is the most modern RJ45 connector design that will handle the widest variety of cable sizes while offering Cat5e, Cat6 and Cat6A compatibility at speeds up to 10Gb. It is also the only one-piece connector we make that is certified for use in PoE and PoE applications.

\$205.00 Value

- Kit Contains:
- EX0™ Crimp Frame with EX Die
- 25pcs. ezEX38 Connector Cat5e
- 50pcs. ezEX44 Connector Cat6
- 25pcs. ezEX48 Connector Cat6A

- 20pcs.ezEX Strain Relief in asst. colors

Cat5e, Cat6 and Cat6A compliant

3 sizes to fit most cables

10Gb speed tested

The unique design of the EX0 Crimp Fram together with the patented external load bar of the ezEX-RJ45 connector produces a flush trim every time-so flush they are certified for use in PoE and PoE systems.

AVAILABLE FOR A LIMITED TIME

Neutrik NL4FRX 4 Pole Right-Angle Cable Connector, Chuck Type Strain Relief

Neutrik NL4FRX 4 Pole Right-Angle Cable Connector, Chuck Type Strain Relief

Cable end speakON SPX 4 pole – right angle

The industry-standard for loudspeaker connections offer extremely reliable and robust cable connectors with a reliable locking system. They feature solid contacts with screw-type terminals including a stranded wire protection which offer also solder termination.

Hosa GPM-179 Audio Adapter 3.5mm TRS (F) to 1/4 TS (M)

3.5mm TRS(F) to 1/4" TS Male Audio Adapter.

**NC5MXX-B 5 pole Male Cable Connector,
Black Metal Housing and Gold Contacts**

NC5MXX-B 5 pole Male Cable Connector, Black Metal Housing and Gold Contacts

Five-pin XLR connectors are the standard choice for **DMX512 digital lighting control**.

The next generation of the worldwide accepted standard of XLR cable connectors. The successor of the X series offers several new features which make it more reliable, easier to assemble and improves contact integrity as well cable strain relief.

Features & Benefits

- Male connector with improved locking recess without “window”, more stringent housing increases durability
- Improved chuck type strain relief provides higher pull-out force and makes assembly easier and faster
- Boot with polyurethane gland gives high protection to cable bending stresses
- Colored rings and boots available for coding or identification
- Sleek and ergonomic design – valuable and handy
- Rugged zinc diecast shell, long-lasting and dependable
- Internal thread on shell is well-protected against any damage

Neutrik NL4MMX Lockable 4 Pole SpeakON Adapter

Neutrik NL4MMX Lockable 4 Pole SpeakON Adapter

Lockable 4 pole speakON adapter

Links two NL2/4F*s together for cable extension. Changes gender to male when permanently locked on the cable.

Features permanent secure connection on a speakON cable connector using 2nd

lock. Can be permanently attached to NL2/4F*.

Neutrik NJ3FP6C Locking 1/4in Phone Jack

Neutrik NJ3FP6C Locking 1/4in Phone Jack

Locking 1/4" phone jack, D-size shell, nickel metal housing and silver contacts

The 3 pole phone jack panel mount version provides stable and secure connections where accidental disconnect or shock and vibration may occur. It latches with standard A-gauge mono or stereo plugs. Plug locks-in automatically when mating and unlocks only by pressing red release tab. Standard D size front panel appearance. Selectable grounding options.

Neutrik NAC3MX-W-TOP Locking Male Cable Connector

Neutrik NAC3MX-W-TOP Locking Male Cable Connector

Locking male cable connector, screw terminals

The powerCON TRUE1 TOP is a locking 16 A true mains connector. It replaces appliance couplers wherever a very rugged solution in combination with a locking device is needed in order to guarantee a safe power connection.

The powerCON TRUE1 TOP is a connector with breaking capacity (CBC), i.e. it can be connected or disconnected under load or live.

Neutrik NAC3MPXXA Appliance Inlet Connector

Neutrik NAC3MPXXA Appliance Inlet Connector

This connector is fully compliant to the device standard IEC 62368-1, due to its component certification according to IEC 60320-1.

Appliance inlet connector, 3/16" flat tab terminals, blue

The powerCON XX is a locking mains connector. It replaces appliance couplers wherever a very reliable solution in combination with a locking device is needed in order to guarantee a safe power connection.

The powerCON XX is a connector with breaking capacity (CBC), i.e. it can be connected or disconnected under load or live.

Neutrik NP3X 3 Pole 1/4" Professional Phone Plug, Nickel Contacts, Nickel Shell

Neutrik NP3X 3 Pole 1/4" Professional Phone Plug,

Nickel Contacts, Nickel Shell

The heavy duty professional phone plug series improves on the design of the existing C series by offering the thinnest available A-gauge 1/4" plug with unique Neutrik chuck type strain relief on the market. The slimline shell with a width of 14.5mm meets the most recent requirements for highest density jackfields (15.88mm jack pitch).

The precise machined one-piece tip contact without rivets makes it unique and avoids hook up in a socket or break off the tip.

The Plug X Series serves all applications such as guitar applications, audio cables, snakes, speakers, amplifiers and mixing desks.

Plug 1/4" stereo PX Series – nickel/nickel

Neutrik NP3RX 3 Pole Right-Angle 1/4" Professional Phone Plug

Neutrik NP3RX 3 Pole Right-Angle 1/4" Professional Phone Plug

The heavy duty professional phone plug series improves on the design of the existing C series by offering the thinnest available A-gauge 1/4" plug with unique Neutrik chuck type strain relief on the market. The slimline shell with a width of 14.5mm meets the most recent requirements for highest density jackfields (15.88mm jack pitch).

The precise machined one-piece tip contact without rivets makes it unique and avoids hook up in a socket or break off the tip.

The Plug X Series serves all applications such as guitar applications, audio cables, snakes, speakers, amplifiers and mixing desks.

Plug 1/4" stereo – RX Series – right angle – nickel/silver

Neutrik NE8FDX-Y6-B D-Shape CAT6A Panel Connector

Neutrik NE8FDX-Y6-B D-Shape CAT6A Panel Connector

Receptacle etherCON CAT6A D series – shielded IDC – black

Attention! Does not intermate with CAT6 cable connector NE8MC6-M0 and NKE6S* cables.

Neutrik NE8FDP-B RJ45 Feedthrough Receptacle, Black D-Shape Metal Flange

Neutrik NE8FDP-B RJ45 Feedthrough Receptacle, Black D-Shape Metal Flange

Receptacle etherCON CAT5 D series – feedthrough – black – Includes Screws The etherCON Series is a ruggedized and lockable RJ45 connector system, optimized for pro audio, video and lightning network applications. The chassis connectors are shaped to fit into standardized panels out of the entertainment industry. The D-Series offers the most rugged design of the etherCON series and is perfectly suitable for panel mount and the installer market.

Attention! Does not intermate with CAT6 cable connector NE8MC6-M0 and NKE6S* cables.

Neutrik NC7MX 7 Pole Male Cable Connector, Nickel Housing, Silver Contacts

Neutrik NC7MX 7 Pole Male Cable Connector, Nickel Housing, Silver Contacts

Cable end X series 7 pin male – nickel/silver. The “industry standard” XLR cable connector, easy to assemble with only 4 parts and no screws. Compact design with sturdy diecast shell, fibreglass reinforced hard plastic insert and

chuck type strain relief for secure clamping of all cables.

Neutrik NC6MX 6 Pole Male Cable Connector, Nickel Housing, Silver Contacts

Neutrik NC6MX 6 Pole Male Cable Connector, Nickel Housing, Silver Contacts

Cable end X series 6 pin male IEC standard- nickel/silver. The “industry standard” XLR cable connector, easy to assemble with only 4 parts and no screws. Compact design with sturdy diecast shell, fibreglass reinforced hard plastic insert and chuck type strain relief for secure clamping of all cables.

Neutrik NC6FSXX-BAG 6 Pole Female Cable Connector, Black Metal Housing, Silver Contacts

Neutrik NC6FSXX-BAG 6 Pole Female Cable Connector, Black Metal Housing, Silver Contacts

Cable end XX Series 6 pin female – black/silver. The next generation of the worldwide accepted standard of XLR cable connectors. The successor of the X series offers several new features which make it more reliable, easier to assemble and improves contact integrity as well cable strain relief.

Neutrik NC5MXX 5 Pole Male Cable Connector, Nickel Housing, Silver Contacts

Neutrik NC5MXX 5 Pole Male Cable Connector, Nickel Housing, Silver Contacts

Cable end XX series 5 pin male – nickel/silver. The next generation of the worldwide accepted standard of XLR cable connectors. The successor of the X series offers several new features which make it more reliable, easier to assemble and improves contact integrity as well cable strain relief.

Neutrik NC5MX-B 5 Pole Male Cable Connector, Black Metal Housing, Gold Contacts

Neutrik NC5MX-B 5 Pole Male Cable Connector, Black Metal Housing, Gold Contacts

Cable end X series 5 pin male – black/gold. The “industry standard” XLR cable connector, easy to assemble with only 4 parts and no screws. Compact design with sturdy diecast shell, fibreglass reinforced hard plastic insert and chuck type strain relief for secure clamping of all cables.
