

# Klein Tools 29601 PowerBox 1, Magnetic Mounted Power Strip with Integrated LED Lights

## Klein Tools 29601 PowerBox 1, Magnetic Mounted Power Strip with Integrated LED Lights

Klein Tools' rugged PowerBox uses powerful magnets to easily mount anywhere in the metal job box or other magnetic surface, and includes built-in hanging holes for fixed mounting locations. Easily distribute power across your job box with 5-Foot durable power cord. Integrated LED lighting illuminates the inside of any dark job box to quickly find gear. Besides the four surge protected 120V outlets, the two USB-A and one 45W USB-C (PD capable) ports allow for convenient charging of personal devices including phones, tablets, and laptops.

- PowerBox 1 has powerful magnets for attaching to metal job boxes, workbenches, and more

- Integrated LED lights brightens up any job box to locate stored tools, batteries, and cords
- Four 120V AC outlets, two USB-A ports and one PD capable USB-C port for fast charging of cell phones, laptops, and other compatible devices
- Built-in surge protection with LED indicator to protect your equipment from electrical spikes
- Supply power to any metal job box with the 5-Foot durable power cord
- Extended strain relief increases power cord durability for long product life
- Includes built-in hanging holes for non-magnetic mounting locations where power is needed
