Sturdy steel construction provides solid and long-lasting performance. High quality power-coated finish provides a stylish anti-scratch surface. Open architecture allows for increased ventilation and easier access to wires. Security screws provide added safety for TV.

- This low profile wall bracket keeps TV 1.1 inch (20.5mm) close to the wall. This wall mount supports most 32 to 50 inch flat TVs up to 100 lbs weight. It is good for boardrooms, digital signage, or home theaters. Hardware is included for wood studs or concrete wall mounting.
- Max Load Capacity: 77lbs.
- Universal mounting pattern.
- Design and construction: Solid toughened steel construction
- Durable scratch-resistant finish in black
- Mounting hardware included
- Easy & fast installation.

Note: Supported screen size is provided as a reference only. Please check bracket dimensions, and make sure overall bracket size does not exceed TV.
